### **Tribute from Destiny Walsh**

Relation: Friend

It was such an honor to know Addi. We shared some wonderful conversations. She spoke of her family, how proud she was of them and the love she had for her children, her grandchildren and the loss of her son. She made you laugh and smile and always greeted you with kindness and welcomed you in her home. Addi had many talents and it was a pleasure to receive one of her home made cards. Her yard and home were her joy. The friendships Addi made throughout her life will be remembered by all that had the privilege in knowing her. She will be greatly missed. Thoughts are with her family.
