Tribute from Dave Donaldson

Relation: Friend

Hello. I'm sorry to write this as I realize Alan passed away quite a few years ago. I was a friend of Al's back in the 90's. We were really good friends for a few years. I'd love to know more about his life and perhaps share some stories.

Tribute from Fritz

Relation: My brother

Well, Brother, I finally found you. Better late than never, I guess. I came to Duncan to find you after you left my joint. I didn't have any luck. I always hoped you made it but when you didn't call me or my mom I couldn't help but think the worst. We miss you, and know you found your place. My mom always talks about you. You are in my heart forever and I will definitely find you in that other place. Thinking of you with a deep fondness. Love always, Your friend, Fritz.
