Tribute from Llana Fair

Relation: lived in Mill Bay from 1997 to 2003

Our family lived in Mill Bay for five years and had the privilege to get to know your parents during that time. They were a very caring and loving couple and it made our life fuller to add them to our list of friends. We were saddened to hear about Al's loss of his dear wife 10 years ago, which we knew affected him deeply. What I remember about Al was his caring eyes when he assisted us through any of our ordeals. He has a special place in my heart and I look forward to seeing him in the new system along with many others, including my husband , Earl, who passed away two years ago. Please accept my condolences at this time. 2 Corinthians 1:3.4
