

REMEMBERING
Albert Lust

April 29, 1921 - June 26, 2016

The world is a poorer, sadder place with the loss of a loving, generous, funny, fiercely loyal man of integrity. Dad passed away at Cairnsmore Place in Duncan, where he was loved and cared for by everyone. We are so grateful to the kind, caring people there. He was born in Medicine Hat into a family of 12 children, two of which (Ben and Alice) survive him. He came from a family of wrestlers and boxers and held the title in the Welter Weight division. He served as a medic/stretchers bearer in World War II and was wounded on the Hitler Line in northern Italy. He came home to marry his sweetheart, Violet, and gave up his plans to go to medical school. He wanted a family and started working for Canada Post. His hard work and ambition did not go unnoticed and he was eventually promoted to Postmaster in Moose Jaw. Dad and Mom found true peace and happiness in 1954 when they embarked on a long life of loyal service to their God Jehovah. Mom died in December of 2006 and Dad never stopped missing her. Al is survived by two children, his "favourite son", Gary and his "favourite daughter", Bonnie, three grandchildren, Gillian, David and Deidre and four great grandchildren. He is loved and missed by his brothers and sisters in the Mill Bay Congregation in Cobble Hill. Dad had faith in God's promise to restore the earth to a paradise and he looked forward to the day when "God will call, the dead will answer, they shall live at his command." (Job 14:13-15)

Until then, Dad.....
