What an amazing man, husband, father and friend to us all. He was someone I looked up to literally and accepted me into the family with open arms. I have great memories of sailing in Sunday's with you and Doug (father in law) smooth sailing to you and miss you!

Tribute from Don Morrow

I mainly knew Albert in the 1970's when we were young, and I was fortunate enough to meet him again in his sixties. He still had that beautiful, free spirit we loved him for. Rest in soft peace Albert.

Relation: Friend

When we were young and life was one giant party, Albert was the one who could not only celebrate life doing crazy things, he also had creative interests and the skill set to back them all up. Building, inventing creating, experimenting his mind was always going faster than anyone else's. Truly a fascinating person, you couldn't help but look up to him.
