Tribute from Trish Waddington

Relation: Community

I met Annie Mae when she was a public health nurse for Margaret Moss when my second daughter was born. She made post natal home visits, and was a wonderful caring lady.

Tribute from Beulah Jane Wright

Relation: Friend from Hedgeville - knew her parents well.

Very sorry to hear this. I had not heard from Annie Mae for several years and wondered about her. She certainly had an interesting life.

Tribute from DeborahYoungman

Relation: A neighbour fir many years and home nurse to my first baby

Annie Mae was always such a lovely , kind and thoughtful lady.. always pleasant and positive. It was special she saw me grow up from a 10 year old kid to a young mother visiting me with my firstborn daughter.
