Relation: Grandfather

Grandma Dulcie and Auntie Loraine,

To echo my mother, thank you both for the sacrifices you made to be with and help Grandad in his failing health. I love him a lot and I have only fond memories of being with him, it is a shame we could not spend more time together in person!

I am truly sorry for everyone's loss. &lt;3

**Tribute from Anne & John Dryburgh**

Relation: Neighbour from Bulawayo days

Thank you for sending me a copy of the tribute to your Dad. It was lovely to read it and learn something new. I am sure that our Dads had many happy discussions about both maths and science as those subjects were both of great interest to them both always. I always remember your Dad as a happy man and with a lovely garden. My condolences to you & Paul and Dulcie and family. I was going through photos last week and came across this one taken when my parents visited the UK back in July 1980.

Relation: Dulcie's grandneice

Dear Aunty Dulcie and family, I wanted to send my deepest sympathy to you all. I have very fond memories of Arnold and Dulcie visiting my Grandad Ray in Hermanus at Christmas time as a child. There was always lots of laughter in the house. You are all in my prayers.

**Tribute from Ken Abbott**

So sorry for your loss Dulcie. I always enjoyed working for you and Arnold and will remember those coffee breaks spent at your table talking with you both and listening to Arthur describe what it was like growing up in England during WW2. Take care. Ken Abbott, your retired house painter.
