Relation: Granddaughter

Dear Grandad/Great-Grandad -- our fearless patriarch.

I'm so grateful to have had your love and wisdom as a sounding board throughout my life, but in recent years, especially. You had a knack for giving terrific advice.

So you know, I now consider "Stardust" to be our song, and will think about you every time I hear it.

I look forward to resuming our chats, in the fullness of time. For now, however, and from one good doctor to another, God speed. Thank you for your enduring and loving presence in our lives.

Please say hello to the family for us.

We love you and miss you already!  
Jenny and family xx
