Tribute from Kristine Rye

Relation: From Gold River

Awe I am so sorry about your mothers loss, I remember her fondly along with Vic from when our parents played slo pitch together, (the Strikers) were an amazing team and we always took turns going for a get together at one of the family homes which meant the parents socialized and the kids all played. Your mom has not changed one bit from the Gold River Days. She will be dearly missed and never forgotten. I can only imagine how happy she was to join Vic up above as well as how sad she was to leave you on earth. Just know she is watching over every single one of you and you will meet again.
