**Tribute from Terry Richmond and Doug Ward**

Relation: Neighbours from BROWNÄ™S INLET in Ottawa

Dear Don, Brent and Scott. Doug and I are so very sorry to have gotten this sad news about Barbara. She was SUCH a force. Ironically, we were just chatting about our dear Dutton neighbours only two days ago, and we were recalling all the lovely hand-painted treasures from Barbara — ornaments and tooth fairy boxes — we still have tucked away. Our thoughts are with you all.

**Tribute from Jocelyn Rait**

Relation: Friend and neighbour

Barbara was a valued friend and neighbour. She introduced me to Victoria's Quilts where she was an impressive member of the executive, and we enjoyed getting together as neighbours. Barbara was the most organized person I have ever met and I am always trying to meet her high standards in everything I do! We have been missing Barbara and Don since they moved to BC, but now we really miss her. Our sympathies go out to Don, Scott and Brent and their families. Jocelyn and Alec Rait

**Tribute from Shirley Farquhar**

Relation: Friend

I was heart broken to hear of Barbara's passing. I met Barbara over 35 years ago through my Mom, May Robertson, who was a dear friend of Barbara's. After my mom passed Barbara and I remained friends and we met monthly at Stitch and Chat. She and I shared a love of quilting and she taught me invaluable lessons of sewing and life. I have wonderful memories of sewing quilts for Quilts of Valour in her cozy studio. Every Christmas Barbara hosted our potluck lunch and went to great lengths to set a beautiful table and welcome us with such a warm heart. I will miss her terribly and my deepest sympathies go to Don, Scott and Brent.

**Tribute from Mike & Judi Millard**

Relation: friend and neighbour

Judi and I are Don and Barbara's neighbours. We first met in their driveway when they were in the seemingly unending process of unpacking after their move from Ontario. Minutes after our initial meeting Barbara came knocking on our door to give Judi a quilt Barbara and her association made for cancer patients to keep warm while receiving chemo. Barb's thoughtful generosity and care for Judi after only a brief introduction told us much about the kind of person she was. Our impression was confirmed when sometime later Barbara again came knocking on our door, this time delivering a bouquet of daffodils with the message "Happy Spring Day!" Lasting impressions of a special lady from short, but meaningful encounters.

**Tribute from Suzanne and Wesley Gibson**

Relation: family

Dear Don, Scott and Brent, our deepest sympathy to you at your loss, we will keep close our memories gathered all these years, too many to mention, we can only imagine how long these past months must have been for Barbara as she gave it everything she had and the courage to keep going but it would appear there was a greater plan for her, we know she is at peace, in our thoughts and prayers, Wesley (Suzanne Lanctot-Gibson spouse of Wesley)

**Tribute from Nina & Ian Donald**

Relation: Neighbours in Merrickville

Dear Don, Brent and Scott

We are so very sorry to hear of Barbara' passing.

We fondly remember Barbara and Don's wonderful sixtieth wedding anniversary celebration in Kemptville. We also remember the last time we all got together at our home on County Road 23 for our pre-Christmas party - Barbara so enjoyed herself quietly relaxing and reading in our secluded family room that we had trouble finding her at the end of the evening!

Sincere condolences

Nina & Ian

We met Barb and Don at Newcomers in Ottawa over 40 years ago!

So very sorry to hear of Barbs passing. She was a kind and beautiful lady and probably the most talented I would ever know!

Barb and I did many arts together and also we played couples bridge.

Covid prevented us from a visit to your new home on the Island.

I'll never forgive that this was stolen from us. I will hold closely the

beautiful lap quilt she gifted me! Sincere condolences to the Dutton family, Don and Marilyn
