Tribute from Sherry plumb

Relation: Friend

Dear Laura and family, barb was a part of my growing up and Somenos Road gang. We used to walk up mt. Prevost and run from shady spot to shady spot and have a cigarette at each stop. We also took the bus to Victoria a couple times to get her brace wires changed. When they came off she had the most beautiful smile. She is part of my youth and I will always treasure her memory. Love, sherry
