Tribute from Carla Freundlich

Relation: A friend and leader in my church

Dear ones of the Lockwood family. I was heartbroken to hear of Barry's illness and passing.

I am holding the family in prayer for the deep touch of the Holy Spirit in this time of great pain and grief.

I have always had such huge respect for the way Barry lived in the world, his leadership in the church, his great kindness and the huge compassionate heart he had for people. Barry, has touched so many lives! I know you will all continue his legacy of love and generosity to the world around you.

Oh my dear Jan, I am so deeply sorry..... please know how much you are in my thoughts and prayers at this time. I am just so heartbroken for all of you.... my heart and tears are with you.

When I think of Barry, these are words phrases that come to mind. Barry was....

- * A man after God's own heart
- * A man of great wisdom
- * full of love and generosity
- * so loving that that there was no room for judgement, ever
- * a man who lived and breathed and shared his great and incredible love of Jesus, and through this blessed so many people
- * so solid and kind-hearted and trustworthy
- * a natural encourager
- * the hands and feet and heart of Jesus in the world

The last time I saw Barry was back in June at George Brewster's Birthday party. At that time, he

spoke encouraging and affirming words to me about continuing to pursue the building of a new counselling practice in Comox. His genuine and sincere affirmation went deep for me and I have since reopened my practice. His words were like a deep, refreshing drink at a time of great pain and discouragement.

I also have a treasured memory of when I was baptized at the church 8 years ago. Barry came to greet me and bless me with such genuine, sparkling joy in his eyes, and blessed me with his amazing smile.

Amongst others, I think of Micah 6:8 when I think of Barry.

He has told you, O man, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?

He has done this every day of his life, and so much more.

My heart and prayers are with you all....

Love in Him,

Carla
