Tribute from Barb Ferguson

Relation: friend-a work mate

To Betty's family-I had the honor and pleased of working with Betty for years--and she was a wonderful-compassionate help to all the residents. She was fun to work with and we had lots of laughs together. Every time I saw here after she retired-I was met with big hugs and big smiles. We shared "family stories" and bragged about our grandkids to each other. A lovely lady !!

Tribute from Betty (Gurney) Marshall

Relation: 4th Cousin (perhaps)

Dear David, Harry, Linette, Judy and Jim:

I was saddened to hear of the passing of your Mom. I remember so fondly the baking she used to do--way back in Matsqui days--and when I used to babysit some of you--Wednesday nights! Those were the fun times. I hope the wonderful memories you all hold will burn brighter and brighter as the years go by.

Sincerely,
Betty
