Relation: Relationship - How did you know the deceased?

Dear Jill - I am so sorry to hear of your mom's passing away - what a lady! I have very fond Alden Lane memories of her - her warmth, her laughter and her very lovely garden. I often drive by her house, and always think of her. Next time I'm together with the clan we will raise a glass to a resilient, smart, brave and fun-to-be-with lady!

Tribute from Joan Cregan

Relation: friend

My thoughts are with all of you on the island. I wish I had been there to show how much Betty had meant to me as a playgoer and a true companion in spirit. Let me know when there will be the memorial. Thanks for all the phone calls.

Love, Joan Cregan

Tribute from susan hyam

Relation: work colleague, community neighbor

Dear Jill, I first knew your mum when we both worked at Sutherland School. I was the Junior Counsellor and Betty was our PHN. I enjoyed our times together there, and later when we moved to Edgemont and had our family, I would see her for time to time. I respected and admired her bright spirit in spite of losing her husband and son, which I can only imagine the struggle it must have been to carry on. She had you and your girls, and I know she must have been so happy to have been able

to be with you for her last months and days. I tried to send this note about 3 weeks ago, but the site was not helpful. Hopefully this will get through to you now.
with love, We'll remember, and she will live on through you and your family. Susan Hyam N.V.
