Tribute from Johannes Siegel

Relation: German "Grandson"

I still remember when I first met Mom-Mom. It was at the airport in Victoria on an afternoon in August 2011. Me, a shy, very tired 16-year old, Lélean and Mom-Mom drove back to Duncan. That day, I met a wonderful, caring and loving lady, who always made sure, that everyone around her had a good time. I will never forget the moments I shared with Mom-Mom at christmas, thanksgiving, other regular days and that first day in the car from Victoria to Duncan. I'll miss her with her beautiful smile and her funny jokes that made anyone chuckle.

I'll always cherish these moments I shared with her.
