H.W. Wallace Cremation and Burial Centre Staff send our condolences to family and friends.

### **Tribute from Cathy Wagner**

Relation: friend thru shuffleboard

Your mom always brought laughter, giggles, and fun when we played shuffleboard. No matter if she was having a bad day, or not feeling well, she always made time for us to listen, just listen. We were having a lot of issues with our son's drug abuse and it was your mom's positive attitude and words that keep us going. When we heard tonight your mom passed, both my husband, Cecil, and I were in total shock. Thank you, all of you for sharing just a little bit of your mom, she WAS a special lady.

### **Tribute from Doreen Ovenden**

Relation: enjoyed many a game of bridge at the senior's

So sorry to hear of Bev's passing.

### **Tribute from Eric and Donna**

Relation: Friends

We shared many happy times with your Mom, from our Friday night outings for years, pot lucks, other gatherings, her vegetable garden gifts, and her golf and other stories. She never complained, was always smiling and cheerful. Will always miss our special friend.
