Sending out sincere condolences to all of you who mourn the loss of Bev. She is a wonderful part of my memories, as she is to each of you. Bev was my softball coach as a teenager and I valued our relationship. It was wonderful to see her every now and then over the years, always a happy visit and I will miss those. I'm hoping your many great memories will comfort and strengthen you, as you move forward. I believe you will all be reunited one day. Sending my hugs and prayers to each of you.
