To Winnie, and family

Our deepest condolence to you all, I had such high regards for Bill. He always smiled even when things were so tough. May he rest in peace, hugs to you Winnie,

Tribute from Dave Paras

Relation: As indicated above, I knew Bill through my past work.

While the family may not know who I am, I knew Bill when I worked at the CVRD. Bill was the Regional Director for Area "B" Shawnigan Lake for a couple of terms, and him and I had many interactions. While we may have not agreed on every aspect of the current and future bylaws being brought forth, I always respected his opinions and we generally got along well.

Please pass along my deepest condolences to the entire family, as I as well lost my dear wife last year as a result of ALS. Having witnessed first hand the devastating effects of this terrible disease, my heart goes out to all your family. For the past 2 years I have actively participated in the "Walk to end ALS" and have raised and donated money to aid research and patient care.

Tribute from Murray Chantler & Christina Brown

Relation: Through the ALS Support Group

Dear Winnie, please accept our sincere condolences for the loss of your dearest Bill. May the passage of time heal your heart and may your loving memories of Bill comfort your soul. We feel blessed to have met you both at the ALS Support Group meetings; Bill's positive attitude and genuine warmth was always a radiant light for those in attendance. Bill's determination and perseverance in the face of this terrible disease was, and is still, an inspiration for all of us. Our thoughts are with you, Winnie and we send you our love and best wishes.

Many virtual hugs,
Murray & Christina
