Tribute from Janet Fullerton

Relation: Karen's mom

Blair's obituary describes a man who lived very thoroughly and put energy into every aspect of it. It's not fair that his life has ended so soon. I realize that our paths have not crossed since our daughters attended school together but I just wanted you to know how sad I am for you and your girls. My thoughts are with you. Janet Fullerton

Tribute from Derek Standfield

Relation: friend

This is intended primarily for Henri and Dorothy Pigeon.
Blair and my son John Standfield were good friends, probably starting from rugby in high school. Blair was often in our house, as I am sure John was in yours; and I remember Blair well and liked him very much. John, although he has not seen much of Blair for years, is truly distressed, as I am sure are all of his high school chums.
It seems to me from the details in the Notice of his passing that you must all be very proud of him, his accomplishments, and his family.

Henry and Dorothy - as a father I honestly can't imagine anything harder to deal with; and it has already happened to several of Meg Standfield's and my friends. As I am sure you know we lost Meg many years ago. My thoughts are with you in particular.
My daughter Susan is coming back to Canada for good – from Cape Town S.A. with two small children (2 and 4) and I am going to take Blair's wish and spend as much time with them and John as I can.
Please accept my true sadness for Blair's loss to you all.
Derek Standfield

Tribute from Lynne Wheeler

Relation: Worked together at South Island Forest District

My condolences to Blair's family. He was a good man, always smiling, respectful and full of life. It is such a tragedy to lose such a vibrant and loving man. May your many fond memories give you comfort in these difficult times.

Tribute from Lois and Reg Barclay

Relation: friends of his parents

Tribute from Peter Graff

Relation: colleague

I am one of the staff who worked with Blair at Forest Tenures Branch here in VIctoria. We were all saddened to hear of Blair's passing. He was a integral part of our team and will be missed. He was always friendly, approachable and worked hard. Blair found time for a quick visit each day. He never said anything negative about anyone and was quick to smile, crack a joke or initiate a minor prank (which was always tasteful). Blair left us far too soon and I hope his family finds comfort knowing how much we appreciated working with him.

Tribute from Bruce & Carol Lawson

Relation: One of our son youngest son Craig friends

Such sad news, which we know has affected you and your extended family as well as all Blair's many friends. Our family has many wonderful memories of Blair, especially at the Arbutus Club hockey rink where we watched many an exciting game.
Our thoughts are with you

Tribute from James Buntain

Relation: friend

What seems like many years ago our family met Blair and his family.
We had joined a diversified Club in Vancouver because the writer , an "aging forty year old" had this burning desire to learn how to Skate and play Hockey. We enjoyed playing other Sports but Hockey was sooo fast and exciting! Hence Gary met Blair and played Hockey together.
When I first watched Blair his speed on the Ice and lack of fear amazed me!
Words cannot bring back someone you love. Youi fight back tears and you wonder why didn't I do this

or why didn’t I do that when they were with us? Your scribe feels tears welling and seeping down my cheeks…
Blair and our son, Gary,---they played on the same “line” in “Midget” and earlier Hockey teams so I kinda got to know Blair as they played many games together. Blair was a “clean” feisty athlete. I loved watching him and our son play those games. So what else can I say ----his spirit—“undaunting” ; his outstanding speed and skill!—but—notwithstanding all of that he always carried himself in a manner that commanded respect!
We will miss him
All our love to everyone in the “Pidgeon” family
Jim and the “Buntain” family

Tribute from Doug Folkins

Relation: Worked with Blair at WFP in Holberg

I have such fond memories of my time with Blair up in Holberg in the mid '90s. Blair was often tasked to train rookies like myself and he loved this part of his job, Always with a crooked smile, playful jokes, a calm approach, Blair had a way of making those tough, rainy days fun. Blair would often eat all his lunch well before lunch time and then try to scavenge what was available from his co-workers when lunch time actually rolled around. We also played hockey together in Port Hardy and Port Alice.
I want to send my condolences to the family.
