

REMEMBERING
Blake Sprague

December 9, 1940 - April 17, 2021

Blake Thomas Sprague, Born on December 09, 1940 in Moosomin, Saskatchewan, at age 9 he was adopted by his forever parents.

He was a man determined to never leave a stone unturned as there could be success within.

He met his one and only forever Bride Joanne in 1957 and they married in 1960. They spent 60 years together as husband and wife. Together they raised 3 children.

Blake started his professional career as apprentice Plumber at the age of 15 with CJ McDowell and became a Master Plumber. From here he worked as a CPO on the Hydrographic MV MARABELL, Became a Business Owner and had great success with Blake's Plumbing & Heating. He also enjoyed owning a unique restaurant the *Bacchanalia * He didn't stop there, Blake was the General Manager of Ensign Chrysler, got his broker's license and opened his own car lot * Sprague Motor's *.

When he retired (or did he really) he was known to be buying and selling Vehicles and RV's. There was always a surprise in the driveway

Blake & Joanne enjoyed many years exploring the Desserts and their Oasis's. Their main stop was always *Black Meadow Landing* It was there that they made many great friends that soon became like an extended family to them.

Those adventures were traded in for some new adventures that kept them closer to home. They discovered the beauty of Vancouver Island and found their favorite spot in Jordan River, BC .

Health made them stop traveling altogether in 2018 . It has been a fight since and

most would not have made that long.

He was a fighter right from the start and as long as he could get up all would be ok. With his family by his side, sadly April 17 ,2021 was the last time he would get up .

Blake Leaves behind his Bride and Best Friend of 60 years Joanne Barbara Sprague (Ralph),
