

REMEMBERING Brian Bomford

May 22, 1946 - May 2, 2013

Brian passed away at home surrounded by his family. Surviving him is his wife Cheryll, mother Kay, daughters Brenda (Mike), Roxanne (Rick), his sister Sue (Dennis) and his five grandchildren Chad, Sheldon, Stephanie, Brandon and Sydney. Brian spent his whole life enjoying the outdoors, camping with family, hunting and was an avid fisherman. He had his own logging company for thirty years working all over western B.C. He also enjoyed doing firewood with his family, friends and dog Sheila. He loved flea markets, garage sales and a bit of a flutter at the casinos. You could never escape a game of cards if you came to visit and canasta was a favorite.

Upon request no funeral service, but at a later date a tea will be held. A special thanks to Dr. MacGregor, homecare nurses, home support, Red Cross and Centric Health for all their help.
