Goodbye Brian. You were an icon in my childhood, the guy who fixed it if it was broken, the guy who knew how to get you going again no matter what the motorized gadget was that needed your assistance and expertise. You will be impossible to replace. Rest in your new place.

Tribute from Craig Little

Relation: Family

As a member of the Fred & Bev Little Family of Cobble Hill Brian was a relative of mine and I have many great childhood memories of Brian. We would stop in at his Dad's old garage at the corner of the Highway and Mill Bay Shawnigan Road for a visit. I suspect the garage may have been the early inspiration for Brian's passion for fixing things! We would visit his family at their big beautiful old house in Shawnigan Lake and climb the big cherry tree to pick the cherries before the birds got them. On occasion Brian would babysit us in our little log cabin. Always a chuckle, a smile and a twinkle in his eyes. A good man whose time here was well spent and he will be remember fondly by our family. I am sure his family is as proud of him as he was of them! May you all find peace and comfort in knowing that his Love and your Love for him travel with you on all of your journeys.

Tribute from Ed & Joanne Nelson

Relation: Friend

Memorable times in the younger years Brian and especially the drag racing on the haul road. Ed & I have some great memories of the seventies & eighties! So sorry Brian. Until we meet again keep those wrenches tight! Condolences to your family & friends.

Tribute from Greg Bowes

Relation: Co-worker friend

I worked with Brian briefly in the early 80's at Wajax in Vancouver. One weekend we travelled to Shawnigan Lake and he introduced me to him family and friends. I have since moved to Cobble Hill and would look for him anytime there were people around. I am sorry I did not get to touch base with him before he passed. I remember him being friendly man with a great sense of humor. Rest In Peace my Friend.
