

REMEMBERING
Brian Clark

March 7, 1951 - September 14, 2017

Brian once said that the only way you would know he was gone was when you found two empty moccasins on the beach. Well, the moccasins are on the beach now.

Brian was an astonishingly talented artist, musician, and photographer, who spent untold hours helping people, raising money for those in need, teaching others how to carve and laughing with friends and family. A funny, funny person, a fierce friend, a loving son, brother and father. As he left, he took a little piece of each of us with him to keep him company. A potluck party will be held at the Mill Bay Masonic Lodge, Saturday, Sept. 23, 3:30 - 6:30. 2748 Lashburn Rd.
