Tribute from Mimi (Hooper) Zuyderduyn

Relation: friend

Jim was a friend of mine, up in Tahsis. We went on double dates, and were teenagers in a small town together. Always fun, thoughtful and quite a character. I saw him again in Duncan after his ocean adventure but we didn't cross paths again. I do remember him with fondness. My condolences to his family.

Tribute from Kathy Elzinga/Anderson

Relation: Friend for more than 30 yrs.

It is with great sadness that I heard of the passing of one great friend that I had for so many years. Even with me marrying and moving to Washington State for 20 yrs. I still kept in touch with my Friend, Jim. What great trip that I had with Jim was the trip to Ucluelet with him and my Daughter, Buffy. The

great memories we had of going to the Jolly Rancher and the Galaxy. I will forever remember the great times we had. So glad that I got in touch with Jim when I moved back to the Island in 2013. You will be missed so very much.

To the Family, I send my deepest condolences.

Jim, will remain in my heart, forever.

Sincerely, Kathy.

Tribute from Heather Davie

Relation: Relationship - How did you know the deceased?

I am so sorry to hear of Jim's passing. We first met in 1976 when I worked at the Duncan Mohawk and he was driving that blue van. The connection stayed and we would see each other off and on over the years. My condolences to the family.
