Tribute from Rob Sabyan

Relation: Long time friend .

Hey Mac you were a legend and a hero to all of us that knew you. You will always be my captain when I am flying. You taught me to feel the airplane and feel what she is telling you. No one did it better than you big guy. Thanks also for all the great memories, adventures and great stories you left for us to pass on.

Tribute from Scott Graham

Relation: Good friend.

Met Brian in Kamloops in the 1980's . Spent many hours flying with him as an AME in his favourite airplane the beech 18.

Have many great memories of our adventures in B.C and N.W. T.

One of the few people I have kept in touch with over the last 40 years. Going to miss you big guy!

Tribute from Elaine Graham

I would like to say that meeting Brian some 40 years ago through Scott was one that I will always remember. From day one the big guy was funny, a gentleman , generous and had a big heart. We had many laughs together and good visits. He will be missed.
