Tribute from H.W. Wallace Cremation & Burial Centre

H.W. Wallace Cremation and Burial Centre Staff send our condolences to family and friends.

Tribute from Barry Pfliger

Relation: Lengthy Friendship and Family Doctor.

It is with deep sadness that I acknowledge the passing of a true friend; albeit, with limited time together these last few years. I will miss his gruffness (gentleness); his quiet demeanor (loud); and his passionate way of expressing himself (with gusto). His friendly games dirty canasta will live on in my families memory for ever. I think often on his visits to Sooke District Income Tax offices for coffee and the never ending cigarette (blue smoke environment); his expounding on any of a thousand issues that plagued his life; and, yet his humour and love of life were not always hidden. He was a kind and generous man to his friends and he treasured them deeply. Good-bye my friend.

Tribute from Ranger Allen Page

Relation: Knew Brian through the SVIR club.

Brian was a very active member of the South Vancouver Island Rangers club for many years and it was often very entertaining when he got up to speak at our meetings. He was our club Parliamentarian and could quote Roberts Rules from memory when needed! We at the SVIR are very sorry for your loss ...

Tribute from Margaret Corbett

Relation: Work

Dear Rosslyn, was sorry to see that Dr Perry-Whittingham had passed away. I had visited you two back a few years ago and certainly recalled him from early nursing days at RJH. I think most of our class had a crush on him. He stitched up my husband's leg once after an accident in Sooke. Anyway, just to say I'm thinking of you and hope you are doing ok. I'm retired now and living in Duncan. If you ever want to grab a coffee my no. is 7100300. Take care, Marg Corbett.

Tribute from Fuzzy & Kerry

Relation: Friend

Rossi & family. We were saddened by the news of Brian's passing. He will be fondly remembered as

our family physician and friend. We have so many things to thanks him for. He spent the night on our couch with the baby carriage beside him when Shayne had croup so we could get some rest. We called him at home when we needed him and he always came, even if was just a new mother overreacting. Rest In Peace Brian
