Relation: Friend

I was so very saddened when Tara told me of losing Bruce. Though I knew him for a brief time as far as seeing him, I have many fond memories of talking hockey with him and telling some jokes while at the golf course. I am so very sorry for your loss and consider myself lucky to have known him.

Ann and Tara,

So sorry to hear of your loss. I was very fond of Bruce and enjoyed the talks about hockey and jokes shared at the golf course on the occasions I was able to play up there. You and your family are in my and my daughters thought and wish you all the best during this difficult time
