Bruce was a wonderful man, who will be sadly missed by young and old alike.

Tribute from Ross Dingwall

Relation: Didn't know him personally but was one of my heroes growing up

I didn't know Bruce but remember him when he went to school in Courtenay. He was older than I but I was one of those kids who was crazy about wheels. He drove a 39 or 40 Ford Tudor painted red oxide primer to high school. He was one of those cool guys I looked up to. RIP Bruce

Tribute from Carolyn Colling

Relation: Family Friend

Always in our thoughts and in our hearts

Tribute from Rick Gonder

Relation: Acquaintance

I knew Bruce casually through my involvement with Island Dragway Promotors. I loved to watch

"Casper" race at Van Isle and as a young car enthusiast I often drove over the Malahat just to see Bruce's race car at his Millstream Shell station.

In the early days of Island drag racing, Bruce and "Casper" were the face of drag racing on the Island. Although unelected and unofficial, Bruce was our promotor and was responsible for a piece of Island auto racing history that will never be replaced.

Tribute from Al Clark

Relation: A long time friend.

I can remember sitting at a table with Bruce and John Walker, at his Canada Day celebration, saying how great it was to have been friends for over 40 years. I have not see much of Bruce in the last few years, but when I did there were lots of memories to talk about. i will always consider him a great friend.

Will be dearly missed, Bruce was one of the first family members I met when I got with Larry over 20 years ago. Always a pleasure to be around & the rest of the family. Going to car shows & Tradex in Vancouver - could certainly see from initially meeting him how much people in the community & family adored & respected him - such a talented guy. You will be missed Bruce & never forgotten

Robbie and family , Dad and I are so very sorry for your loss . Robbie you and Bruce played such an important part in my life . You were one of the first people I babysat for and Bruce rebuilt my first car I bought at 16 years old . Your laughter rang in our house many a time and I was always so proud as a teenager to say my cousin raced Casper . Loved the model T you picked me up at school in as well Robbie . I know dad has many lifelong memories of you both as well . You are in our hearts and memories forever

So sorry to hear this you guys. Our condolences to you all, Robbie, Bruce and family. We thought the world of Bruce and I could never thank him enough for the so many times he helped our family out, by keeping us on the road in cars that needed replacing, but the money wasn't there. Please let us know when a service will be held. Again so sorry for your loss. Bruce and your whole family are a class act all the way. And Bruce will be greatly missed.
