Tribute from Amanda

Bryan was a mentor to me as his experience and motivational conversations about pursuing his degree helped me continue to push through the program. He was an amazing nurse, colleague and friend. The world has lost an amazing human being. I am so sorry Erin, the girls and the rest of his family and I can not imagine what you are going through. I am sending so much love and support in this time gone but never forgotten

Tribute from Michele, Ian, Parker and Ainsley

Erin, Indie, Bea and Noelle - we are so very sorry. You have so much love and support surrounding you and we hope that, in time, the cherished memories and the beauty of Bryan's love of his family will

eclipse the heartache you feel. We are thinking of you.
