I'm so saddened by your passing Carole, it was such a blast to connect with you again doing your electrical. You always made me laugh and it was a pleasure to reconnect.

Tribute from Cheryl Jones-Large

Relation: We went to school together

I am so sorry to hear of your passing Carole. I will always remember you as a gentle, caring person who cared about other people, honesty, and truth. You were special to me because of your no-nonsense view of life, never getting involved in the social crap of high school. You will be missed.

Tribute from Rita, Clark & Shane Baker

Relation: a dear friend's mother

Sammy, you know that if we could be with you during this difficult time, we would, however, we will think of you while we are in Mexico. Hopefully, you can spend some time with us over Christmas.....love, the Bakers'

Tribute from Lorna Medd

Relation: I am a friend of the family

My mother and Carole's mother Pauline were good friends when younger and they stayed in touch over many years. I would often hear of Pauline and Lloyd and the children through my parents' conversations. Carole was the same age as my youngest sister so I am feeling the pain of losing someone before their time. My deepest sympathy to Pauline and the family.
