Relation: Both of us are EA's and involved in the lives of adults with challenges.

I worked with Carrie and remember what a good person she was. We also knew each other from baseball with her supporting two young adults and I was there with my daughter. She made the world a better place.

**Tribute from Brenda Sykes**

Relation: Friend

I have known Carrie for over 30 years, mostly through work, until this last year when we were able to connect more on a friendship basis. I will remember her as a loving and caring person, a loving mother, a true warrior and a shining star.

**Shining Star**

The angels looked down from heaven one night.

They searched for miles afar,

And deep within the distance

They could see a shining star.

They knew that very instant

That the star was theirs to gain,

So they took you up to heaven,

Forever to remain.

Look down on us from heaven.

Keep us free from hurt and pain.

You'll always be within my heart

Until we meet again.
