### **Tribute from bill and ilona beedie**

Relation: friend

Dear Margot and family. We were so very sorry to read about Cec in the paper this morning. Although we did not see much of each other in the past few years, we will never forget the fun times we spent together in the 90tish. Cec favourite glass of wine, his workouts on the bike, the gettogethers at the house, it was always a good time.

We wish you Margot, Steve and Nadine and all the grandkids all the strength. Take good care of each other.

Love, Ilona and Bill

Relation: colleague and friend

Margot and Family,

Our hearts are with you at this time of sadness.

Cec was a huge role model and an inspiration to many teachers having the honour to work with him and be lead by him in the 1980s at Barsby. Our 'Barsby Gang' had a key member of the group --> "Poz" !

The many fond memories of Cec will always be with us.

John Phipps (Nanaimo)

Dear Margo and Family, Doug and I were absolutely shocked and saddened to hear of Cecil's passing. He was a lovely, kind, gentleman and the best neighbour we ever could have asked for. We shared many good laughs in our backyards, and think of you both so very often. Our thoughts are with all of you at this very sad time. Laurelle & Doug

Dear Margot: So sorry to hear of your loss. We always knew we would have a friendly word from Cecil as we visited across the driveways. Cecil, even though you saved me from drowning at 14 years. Our lives drifted apart and asked your sister Kathy for your number after our last reunion. I was very happy to reconnect.

**Tribute from The Paquettes**

Relation: colleague

Dear Margot and family: Our sincere condolences to you for the loss of Cec. Working with Cec at John Barsby in my first years of teaching were my best years. I remember him as being respected by all his colleagues who were also all friends. We shared some special memories. He was an excellent vice principal -- one of the best I've worked with. He was always supportive and there anytime you needed him. He was one of the reasons that Barsby was great at that time. He will be sorely missed.  
Sincerely: Rick, Janice, Mark and Matt

Margot, Steven, Nadine and families - I am so sorry to hear of Cec's passing - he was such a wonderful man - I have such fond memories of my Barsby days with him - that little glint in his eye when he was kidding me about something .. or our chuckles in the lunch room about his daily sandwich on white bread (even though you were such a wonderful cook Margot!) .. you are all in my thoughts during this difficult time - love to all - deb and girls

**Tribute from Cynthia Chelsom**

Relation: colleague and friend

Dear Margot and Family,  
I was very saddened to hear of Cec's recent passing. I have very fond memories of my days of working with Cec at John Barsby. His support and guidance with students who struggled in the system. was one of his many strengths as an educator. I remember fondly our fun times at staff get-togethers with Cec's hearty laugh and funny jokes..  
Thinking of you Margot, Cynthia Chelsom

**Tribute from Gord Mosby**

Relation: Grade 13 classmate

It's been a lot of years since grade 13 at Stanley Humphries HS in '60/61, but it seems much too soon for Cec's passing. We were part of an extended group of friends from Castlegar who went to UBC, and though our paths scattered and we didn't see much of each other after that, a sense of closeness always remained. Cec was a good guy who could be serious, but he brought an unfailingly gentle streak of good humored appreciation for people.
