

REMEMBERING
Christine Jennifer Martin

August 27, 1961 - March 31, 2015

Martin, Christine Jennifer

(nee Scotton)

August 27, 1961-March 31 2015

With much sadness we announce the passing of our deeply loved wife, mother, daughter, sister, and friend to many. Predeceased by her mother Karen survived by loving husband Paul, adoring children; Keenan, Bailey, Thalia, and step son Jarvist, father Barry (Marilyn), sisters Morgana and Angela, niece Fraea, and other nieces and nephews.

Christine was born and raised in Maple Ridge and attended New Westminster High School where the school band and music were a huge part of her life. She became a pastry chef by trade, trained in Europe, then going on to work in the restaurant industry in Vancouver. Many years later she came to run and own her patisserie, Sweet Arts, on Salt Spring Island BC. When children came into Christine's life her passions and energy focused solely on them and they were her loving concern to the very end. After a lengthy illness, Christine was freed from her burden and pain, delivered into the strong arms of her Savior whom she loved and served faithfully. Many thanks to Dr. B. Bass and Dr. B. Code, and the palliative nurses who kept our girl comfortable at home until the end. A celebration of Christine's life will take place at New Life Community Baptist Church on April 11, 2015 at 11:00am.
