**Tribute from Terri Stirling**

I was sad to hear of Christine's passing. My thoughts and memories of her are happy ones. She was always kind and patient with me (even when she was teaching me to hand stitch a stuffed animal) and was genuinely interested in what I was up to. Her understanding and support of me as a teenager and her calm voice delivering sage advice has left a heartwarming imprint on me. She will be dearly missed. - Terri, Bruce, Lily and Jasmine
