

# REMEMBERING

## Christopher Caskenette

October 26, 1972 - September 24, 2021

### **Tribute from H.W. Wallace Cremation & Burial Centre**

H.W. Wallace Cremation & Burial Centre staff send our condolences to family and friends.

### **Tribute from Randall Caskenette**

Relation: Uncle Randy

Dear nephew although we were not close your presence will be missed. Rest and be at peace.

### **Tribute from Clemmie**

Many knew you as Chris, we know you as MacD in our online gaming community UDL. Your giving, kind spirit will be greatly missed and it's hard to believe you're truly gone. We had so many great conversations and will always remember you for the special presence you were. Prayers for the family that you find comfort and strength.

### **Tribute from Scree**

Relation: via UDL

I spoke with him briefly when I was attempting to join an online community, UDL, he was a part of. He went out of his way to help me, but respectfully had to withdraw because his new medications were making him feel tired. He felt awful about not being able to help me.

He didn't even know me.

This meant a lot to me that someone would be that upset about helping a future member. I'll remember him for this and wish I had gotten an opportunity to know him like others did.

### **Tribute from Jeanne**

Relation: I am a first cousin to Chris's Dad. Butch's father and mine (Jim) were brothers. My siblings, the Goddard cousins and Butch's brothers all attended the same grade school.

Although I never had the pleasure of knowing Chris I wanted to express my sympathy. Words can't take away the pain of losing someone so important in your life. In your write-up of Chris's life, you clearly have many happy memories to bring you comfort. No doubt he will live on in your heart.

Take good care.
