On behalf of the Grant Family, please accept our deepest condolences following Cliffs passing. We always enjoyed our visits with Cliff (and with Sharon) when they stopped by our store. He was always ready to share a memorable story from his past while often sharing local history.
Our thoughts are with you all at this time of loss

OH NO! I am so saddened to be reading of the irrepressible, irreverent Cliff's passing. He always had that twinkle in his eye like his dad Buck, and I have so many fond memories of all you visiting with Buck while I worked on DPU. Sending you much love with many happy memories.
