I was so sorry to hear of Clints untimely passing. He is so young

A great father, husband and worker. I've known him for years, when he was first driving trucks. Then he started at North Cowichan where he excelled.

Always a hard worker and always HAPPY !!!!!!! I will always remember his BIG smile. He was like a magnet - someone who you always wanted to be around.

We all will miss him terribly. !!!!

I am sorry I will be away at the time of his celebration. But I will have him in my heart on the 4th and for the rest of my life. Rest in peace my friend.

Tribute from Marvin & Anne Bragg

Relation: Uncle and Aunt

My nephew Clint was a very young boy when he came for a visit to his Grampa and Gramma Bragg's farm at Usona, Alberta. He loved riding on the tractor and didn't want to come inside. When little Clint told me that his Uncle Marvin was his "most favourite uncle" I didn't have the heart to tell him I was his only uncle.

Clint was nine years old when Anne and I married, and he was very serious taking on his duties of being an usher and gift carrier, doing an awesome job!

We came to see Arlene and Hugh for a visit when Clint was 10 years old. He and Chet rode with us as we drove to the lake. The entire trip was very entertaining as Clint was like a tour guide, explaining to his uncle and aunt, that many places along the way were the biggest, or the best, much like his father!

We were not able to see Clint very often as we live in Alberta. We were so fortunate to have him come see us for a week visit with his Mom, my sister Arlene, this past December. He kindly spent time with us, his cousins and their families, and we were all enriched by his positive and pleasant personality.

Clint was always kindhearted, respectful, willing to help, and just one of the nicest persons you would ever know. He was a caring and awesome nephew. He was a sociable, friendly older cousin to Kimberly and Jordan. We all loved Clint and he will be so dearly missed by me and my family.

Clint will always be cherished and remembered by his 'favourite' Uncle Marvin and Auntie Anne

To the Cowan Family, Lou and I extend our deepest condolences to each and every member of the

Cowan family in the loss of your beloved Clint. Although we didn't have the pleasure of spending time with Clint and family, we do remember his welcoming us on occasions at their Lake Cowichan property. Right now it's hard to think of the good times spent with Clint; but as time passes may all your memories help you heal and cherish him. RIP. Hugs, Lou & Barb Hryniuk
