Barry & Family,

I still can't believe what has transpired over the last several months with you and your family. Although words may be hard to say at this time I hope that you, your daughters and grandchildren find some closure at this most difficult time.

Tribute from Bev Knapton

Relation: Friend and fellow dog lover

Colleen - I remember the day we met - yes, at the vet's. You gave up your appointment for my little dog's emergency. And lucky me, you lived up the hill. Barry, I couldn't believe when I heard. Hugs, guy, it is a tough road to hoe but time helps. Sending love and thoughts.

Bev
