Tribute from Karen Halliday

Relation: Through a close friend

Through very close friends and in our younger years, we came to meet Connie, Rod and their boys (as each were born), reacquainting at various common-friend gatherings. Although we were more friend acquaintances, the sudden loss of Connie came as a shock and a reminder of how much we all take life for granted with each and every loved one, family and friends. Unfortunately, like Connie's close friends, best friends and her family, I also feel her loved ones sadness and sorrow of a life cut too short. The memories of the good times and fun times Connie shared with whom all she knew, now more precious. Our thoughts, heartfelt condolences and deepest sympathies to Rod, Jamie and Justin, Connie's family and closest friends. Yet another Angel soars.
