Relation: family friend

Connie (and Pat) were fixtures at our house for all the special holidays for decades- Christmas, Easter, Thanksgiving - and very much a part of our family. They may have not been blood relatives but we were family tightly joined by a lot of laughter, good food, and conversation. I will miss Connie's chatter and her spirit and will, like with Pat, always see them sitting around our table when we gather though they are gone.

Relation: Friend

I'm so very sad to hear about Connie's passing, and my thoughts are with everyone who's missing her. I met Connie in 2013 when we were both on a tour through Britain. Though we're sixty-some years apart in age, we became fast friends and I treasured our sweet bond. I was lucky enough to visit Connie twice at her beautiful home in Duncan and meet her kind friends and community that clearly adored her. I'll miss Connie dearly, but I know that she's happy to be reunited with Pat once again.
