

REMEMBERING
Constance Briant

March 6, 1932 - April 25, 2017

It is with sorrow we announce the passing of Connie at the age of 85. She passed away peacefully at the Cowichan District Hospital surrounded by friends and the extraordinarily kind and caring staff at the Cowichan District Hospital. Connie was predeceased by her beloved Pat, her childhood sweetheart and soulmate whom she first met when she was fourteen when she attended Pat's 16th birthday party. They were married in November 1952 until Pat's passing in July 2012.

Pat & Connie emigrated to Toronto, Canada in March 1957 where they lived and worked until retirement. They moved to the Cowichan Valley in May 1994 building their dream house in The Properties near Maple Bay.

Connie is survived by her sister June and multiple family members spread around the world.

A memorial service for both Connie and Pat will be held on Thursday May 11th at the New Life Community Baptist Church, Duncan at 1:00pm.

In lieu of flowers, donations may be made to the Cowichan District Hospital Foundation
