Dear Diane, Neale & Cory

Our most sincere sympathy is extended to you all at this sad time in your lives. We were so fortunate to have a wonderful friendship with "Kees" and you that began when we opened our flower shop and has continued over the years. His smile and jovial manner were a constant part of his life even through difficult times. "Santa Kees" was a special person. He will be sadly missed by everyone who knew him. Loving thoughts to you all.

Susan & Ken

Dear Diana,

I am sorry to have read of the passing of Santa Kees.

The two of you kept the magic Christmas alive for all. I am so pleased I had the good fortune of being  
with both of you with my children on several occasions.

You both left special memories for all of us.

Sending you healing, love and light Diane
