We hadn't seen Cory for so many years but it feels like only yesterday when we first met him. I know Evelyn pretty much fell in love at first sight. Cory, you will be missed by all who have known you and Evelyn, Dustin and Jared you will be in our prayers. We would love to come to Duncan to celebrate Cory's life but we will have to do it here in Calgary, Alberta. xoxoxoxoxo

Tribute from Janis Jones

Relation: friend

It seems like I always remember Corey at Halloween. When Jared was younger, he would invite all his friends to meet at their house, (at that time in Cobble Hill) prior to trick or treating. The excitement among the young boys was explosive but Corey was always a calm, grounded person. Evelyn would usually get the boys ready into their costumes and then head off to work and Corey and the mums would escort the boys around. Corey was so centered and calm, it was like a breath of fresh air. I don't think a Halloween goes by that I don't remember those nite, walking/running around Cobble Hill in the dark: the boys, Corey and the mums!!!

Any time I saw you you always had a great smile and took the time to chat for a minute. Evelyn and the boys love you so very much and are going to miss you terribly. She was so incredibly proud that you were going to the gym.

I will not be here to attend your celebration of life, Dave and I will be in Mexico.....but rest assured we will toast your good name with a cerveca on that day.

I hope they have roller coasters in Heaven.....but I guess it wouldn't be Heaven if there were none. I'll have a ride with you when I get there ok?
