Oh my goodness, Chris. I was shocked to read this today. You were such a loving couple, you fit into each other's lives so naturally. Please accept our condolences, not sure we can make it in the 20th but will try. Hugs to you Heather and Brian

Tribute from LoriAnn Locken

My heart goes out to Chris, the families of Craig and Chris and all his friends. I knew Craig back in the 70's when his Dad dated my Mom What a surprise when Chris was telling me she met a special someone and I guessed who this person happened to be. I was so happy for the two of you when you blended your lives, created a loving relationship and married. Last Fall thru this Spring I was able to reconnect with you again Craig when you renovated my bathrooms and kitchen I enjoyed our talks, sharing memories from the past and being taught some renovation tips I will remember all these happy memories as I live in my peaceful and calm home. Thank you Craig! Chris my heart and spirit will be with you on the 20th. I will be in Winnipeg for my Cousin's Celebration of Life. Craig I will miss you and your smile that lit up a room. Rest Easy. Gone too Soon. Love Lori Ann
