May 4, 1949 - June 13, 2022

Tribute from H.W. Wallace Cremation & Burial Centre

H.W. Wallace Cremation & Burial Centre staff send our condolences to family and friends.

Tribute from Leigh Mair

Relation: From Rotary Park

When I first met Cynthia I was a new dog walker and had thrown my dog ball over the fence in error. Although Cynthia didn't know me her big heart kicked into gear and she hustled back to her car to fetch a new ball for my pal Sid. From that moment forward my dogs, Sid and Dozer ran with great excitement when Cynthia arrived with her package of treats. RIP my friend.

Tribute from Paula Scott

Relation: Cousin

Diane and Ricky I was so saddened to hear of Cynthia's passing. Although I have not seen her in many years, every time our family visited she always treated us so well. She was such a wonderful and fun loving person. I did correspond with her every Christmas and so looked forward to hearing from her. Please know my thoughts and prayers are with you both and all the family.

Tribute from Jeanne Wilkinson

Relation: Through walking my dogs in Rotary Park.

I was sorry to hear of Cynthia's passing. I often referred to her as the Pied Piper, only surrounded/followed by dogs, not rats, looking for treats, mine included. We will all miss seeing her in Rotary Park. Rest in peace, Cynthia.

Tribute from Mike & Gail Murphy

Relation: co-worker & dog walker

I worked with Cynthia @ CDH & walked with Cynthia @ Rotary Park. Cynthia was an exceptional, kind & caring Nurse. Always a pleasure to work along side Cynthia. The dog walkers always knew when Cynthia had arrived. The dogs could be strolling along, see Cynthia & the young & old dogs would run as fast as they could to her. Our Porter would even stop as we passed the car park area to check if her car was there. Cynthia will be greatly missed by all who knew her, especially the dogs, their owners & the crew @

Rotary Park.

RIP Cynthia

Tribute from Sharron Keetley and Eric Brown

Relation: Friend

Our deepest condolences to Cynthia's family. I worked with Cynthia at CDH and once we retired we walked our dogs at Rotary park. We were all like family walking our dogs daily with the 8 -9 am group. When Cynthia arrived the dogs could sense it and it was a mad dash for them all to race to her and try and wait sitting to receive the roast beef treats! She also had some of the roast beef treats for her pet crows and families!! She left the treats up high or in the tennis courts for them, and they followed her around the park! We will miss her terribly but so glad to have spent the walking times together.

Tribute from Donald Hilton

Relation: co-worker at CDH

Cynthia, a good soul and very fine nurse who I had the pleasure of working with for many years. She looked after all of the details with care, and made our work as physicians go smoothly in the Day Care unit. We remember endless supplies of her garden tendered produce....thank you dear Cynthia for touching so many folks with your kindness, Don Hilton

Tribute from Michele Keserich

Relation: I worked with Cynthia

I had the honour to work under Cynthia for many years at CDH. She was one of the most caring knowledgeable nurses that I had the privilege to know. I respected her immensely and if Cynthia didn't know the answer or how to do to do something, then no one did. She took me under her wing when I

first was pulled to ACU, and never chastised or berated me as a nubie but instead supported and guided me. I especially remember her laugh and smile, especially when talking about her dogs. as a matter of fact, shortly before she died, I ran into her on my dog walk and ended up giving her a lift home. I saw her at the hospital soon after and was shocked to hear she had passed so quickly. I am very grateful for her many kindnesses and the exemplary role model she was for many of us, as well as a kind face for the public. She was a treasure. I am so sorry for your loss and my very belated condolences.
