Tribute from neil miller

Relation: school friend, teammate.

Saddened to hear this news. Dale was a dedicated guy, a honest guy, a tenacious guy, a steady guy. The team is lighter now.

Tribute from Denny Wagg

Relation: I taught Dale at Cowichan High school

I had the pleasure of teaching Dale at Cowichan High school. He was in my History 12 class. He was a great guy, a really nice person to teach.

I remember playing noon hour intramural touch football against him at Cow High . We, the teachers, had our flag football team and Dale was on one of the many student teams. I remember Dale being so fast and elusive. It came down almost to the fact that if you could stop or slow down Dale from doing his magic on the field, you might have a chance of winning the game!

A very fine person is no longer with us but, like others, I have fond memories of Dale from his high school days. My deep condolences to you at this sad time.

Sincerely,

Denny Wagg
Retired teacher
