

REMEMBERING
Dale Carnochan

February 26, 1964 - September 3, 2018

It is with the heaviest and saddest of hearts to announce the sudden passing of Dale on Sept 3 2018. A day that changed our lives forever. A day our hearts were split in two.

Our beloved Dale was predeceased by his father Keith. He leaves behind a brother Rod (wife Lina and daughter Chinta) step mom Deborah (stepbrothers Brian and Jason). Many expressions of love, concern and kindness have been shown to us in this very difficult time from other loving family members and dear friends. Dale touched many people in his life with his kindness, compassion and giving all the love he had. He didn't go alone that day, as part of us went with him. The family wishes to acknowledge deep appreciation at this time. Sometimes we are not meant to 'get over' special souls like Dale and we just go on living life a little emptier. Dale will be deeply and profoundly missed !
