### **Tribute from Viki Anderson (nee Gibson)**

Relation: childhood friend to Steve

It was a surprise to see a familiar name in the obituaries. I remember the Ferguson family... Dan would have been a young husband and father when I knew the family. I recall that Dan had a red setter dog that followed him everywhere. Dan seemed to me like the best older brother imaginable. I grew up in Victoria and spent many hours in his mother's home, as a childhood friend of his younger brother, Steve. To lose a partner, father and brother is a terrible thing. May the family's memories of happier days help to sustain you all. Viki Anderson (nee Gibson)

### **Tribute from Phyllis Ormiston**
