Relation: Friend of Susan Trapler

Dear Susan and family, I am so sorry to hear of your loss. Hold each other close and celebrate the memories of Danny. I wish there were something more I could say to make this better. As I get older, I realize sometimes all you can do is hold each other close and celebrate the good memories.

**Tribute from Dan Johnson**

Relation: My fishing buddy.

It was good to meet some of the family today. Dan & I caught these bad boys in the Sansum narrows (I believe it was in 98). That was an AWESOME day! LOVE to see Dan's big glowing smile!!! That 23 pounder is still (sad to say) the largest salmon I've caught to date. These were good times and this is how I remember my old buddy. :o(
