**Tribute from Dana Thorne**

Relation: Father

Dad~Although I miss you immensely, I hated seeing you suffer and am glad you are in a better place. You felt you did not teach us enough, however you taught us more than you'll ever know. I love you with all my heart. I will see you again someday! Love your oldest Daughter ~ Sunah'wumaat

**Tribute from Linda Hill**

Relation: friend

Darrell - Thanks for being a good buddy to so many children and youth as well as your fellow child and youth workers. I remember that in the early 1990s you dedicated many volunteer hours in helping to develop the Cowichan Tribes Children's Program. Ten years later you were one of a small group of visionaries who collaboratively co-created Inclusive Leadership Adventures. I will always remember your special gift for teaching by telling stories. For me, you were a role model for on-going healing at a personal, family and community level.
